Re : Prep Levy 2021

Dear Parents/Carers,

This year the Prep Resource Scheme will be \$120.00 per student. Instead of purchasing items from a booklist, the Prep teacher will purchase the items listed below for each child. The Resource Scheme will cover all of the Prep classroom supplies used throughout the whole year.

The introduction of the Prep Resource Scheme will replace the outlay that parents would normally spend on Student Resources and has been endorsed by the P&C Association of Alligator Creek State School.

Alligator Creek State School purchase an annual subscription to Reading Eggs and Seesaw, on-line programs, we use throughout the year. Reading Eggs is an on-line site that supports development in Reading and Seesaw is an App which allows work to be set up on any device for homework and individualised work.

Invoices will be sent home at the beginning of Term 1 – 2021 and then your payment can be made by BPoint, EFT, Cheque or Cash.

Yours Sincerely

PRINCIPAL

Please find attached a list of the supplies that will be purchased with the Resource Scheme. These purchases are for your child to be used on a permanent basis.

Student Prep Levy Materials
